

Seaport Swimwear Design & Manufacturing Career Opportunities

Assistant Swimwear Designer

Seaport Swimwear is seeking talented Assistant Swimwear Designers to join our Dorchester office. Flexible hours are available. Applicants should hold a college degree in apparel design; swimwear design and construction experience is preferred.

Apply: Email your résumé and portfolio links to Info@SeaportSwimwear.com and use the subject line **Assistant Designer Applicant**.

Internship Program | Fall 2026 & Spring 2027

Highlights
• Enrolled in a 2 or 4 year apparel design program
• 10 hours/week for 12 weeks
• Up to 2 hours/week may be remote
• Sewing & pattern drafting completed in office
• Stretch fabric experience is a plus

Interns work under the guidance of the Design Director and Assistant Designers to sketch swimwear, create or alter patterns, prepare garments for production, sew and tag products, perform quality checks, uphold manufacturing standards, and communicate effectively across the team.

Apply: Send your résumé and portfolio links to Info@SeaportSwimwear.com using the subject line **Internship Applicant**.
